furn plan

... we digitize furniture and processes!

Your 3D planning software and configurator tailor-made for the furniture trade.

6 months free trial ✅ only 99 € per location per month ✅ more than 3.700 convinced customers

furn plan

Our license model at a glance

- ✓ only **99€** per location per month
- ✓ Only one license for the whole store - all workstations included
- ✓ Over 170 manufacturer catalogs are available without extra charges
- ✓ Support by e-mail, telephone and remote assistance is included
- ✓ Price lists, catalogs and software - all updated on a monthly basis
- ✓ Install on a single computer or as client/server solution
- ✓ The number of available manufacturers is steadily growing
  (**2014** >40 ➤ **2016** >70 ➤ **2018** >100 ➤ **2020** >120 ➤ **2022** >155 ➤ **2023** >175)

The advantages of furnplan

- ✓ Comprehensive advice paired with simple room- and furniture planning
- ✓ Reliable and error-free planning thanks to integrated plausibility checks
- ✓ Automatic price calculation and quotation
- ✓ Send your Purchase Order directly from furnplan to the manufacturer – If you so desire
- ✓ Create photorealistic images from your plannings with our free render server in the cloud
- ✓ Many predefined ERP interfaces are included (see below)
- ✓ Plan and combine all manufacturers with one comprehensive software package

Test it free of charge and obligation!

More dealers than ever before have chosen to use furnplan

(**2014** >900 ➤ **2016** >1.800 ➤ **2018** >2.800 ➤ **2020** >3.200 ➤ **2022** >3.600 ➤ **2023** >3.700)

Convince yourself and start a free test phase. It is our pleasure!
Just send us an e-mail or give us a call:

Your high quality planning

- ✅ High quality rendered images within minutes
- ✅ No heavy workload for your local computer – render your planning on our server in the cloud!
- ✅ Convince your customers with the visual experience of furniture planning
- ✅ Customize many settings, including the lights and the sky
- ✅ No additional charges - completely covered by your furnplan license

furn**cloud**

The platform for the immediate exchange of plannings

- ✅ Every visualized representation you make comes with a simple and unique ID. This ID enables your producer to gain direct access to your plan.
- ✅ You can get direct planning support by the manufacturer
- ✅ You gain extra online security for your plannings in our furncloud
- ✅ All this is offered to you for NO extra charges!
- ✅ No personal data will be transmitted (GDPR-compliant)
- ✅ More manufacturers than ever before are using digital furnplan plannings for their own order processing. Avoid manual order entry, saving time and avoiding errors, all at one go!
- ✅ Every day, more than 30.000 furnplan plannings are uploaded to furncloud.
